

# NEWS FROM THE NEST

September 16-20, 2019

EAGLES S.O.A.R

(Safe Organized Accountable Respectful)

We survived a Full Moon Friday the 13<sup>th</sup> with kids fueled by pancake syrup! We are ready for anything.

We would like to thank everyone from our school community who came out and joined us for our welcome back breakfast on Friday. It is always a fun event to share with everyone. If you were unable to join us please feel free to reach out to your child's teacher and create that early connection.

We have been working with our students in encouraging and reinforcing positive behaviours through the first weeks of school and will be looking to continue this throughout the entire year. Please feel free to ask you child about the "thumbs up" that they were using in the halls. Our school start time has only gone ahead by 5 minutes but we have seen an increase in late students. We are asking that everyone help us in ensuring that students are dropped off or sent to school with enough time to make it to their classrooms by 8 am. We have seen an improvement in the use of the Drop and Go Area over the past week and would ask that parents please continue to use that area and not pull into the staff parking lot or bus loop.

As we get close to the end of the month I must ask are you getting tired of making school lunches? Well... our Hot Lunch Program is back and Menu 1 opens to be ordered starting September 16 – 22. Please visit the website to order:

Sincerely,  
Jordan Fenton  
Principal

## Parent Council Meeting September 18<sup>th</sup> at 6 pm

Parent Council and the Friends of East Lake are excellent ways to be involved in our school community. Please follow East Lake School Council on Facebook, where weekly updates are posted and other items of interest in our school community.

## Terry Fox Run September 26<sup>th</sup> "Twoonies for Terry"

We will be asking students to bring a twoonie for this annual fundraiser for the Canadian Cancer Society. People are allowed to raise more but if every students and staff member brings a twoonie donation we will be able to raise over \$1400 for research.
