

NEWS FROM THE NEST

April 15 – 119, 2019

EAGLES S.O.A.R
(Safe Organized Accountable Respectful)

We will have four action packed days leading into the break as we always seem to cram five day's worth of activities into shortened weeks.

I would like to thank all of our students and staff who put in so much time into the Battle of the Books this year. It added the element of competition to learning and the teams represented our school very well.

This week our students will have the opportunity to go skating, and to perform or watch the spring concert or Talent Show, along with their regular classroom learning experiences. Our Parent Council and Friends Society will be hosting their meetings starting at 8:30 am on April 17th. Being required to host the Election Polls on Tuesday threw a wrinkle into our concert preparations as we do not have access to our gym on the 16th at all, so that people can do their civic duty. This has resulted to the times of the performances being changed as was sent out earlier in the week. Our week will highlight the talents of many of our students during the Talent Show and we will be showcasing some of these acts later on In May at the Tea and Talent Night which will be open for anyone to buy a ticket to see.

As we head into the break we want to thank our students, staff and parent community for all of the hard work that they have put into making this a great school year at East Lake so far. With Easter being so late this year, once we return the year will surely be over before we know it. Enjoy the break!

Sincerely,
Jordan Fenton
Principal

Skating April 15th – 18th

We are going to be taking students skating at the Rec Center this week. KidSport Skate Shack has over 300 pairs of skates and helmets and will be parked onsite for us to use. Please let your child's teacher know if you can volunteer some help.
