

NEWS FROM THE NEST

November 5 - 9, 2018

EAGLES S.O.A.R
(Safe Organized Accountable Respectful)

We all survived a very busy week with Halloween sandwiched smack dab in the middle. I'm sure that all students and staff need that extra hour of sleep that we have coming to us this weekend.

I think I have had a mild form of amnesia blocking out my past memories of how much activity and excitement surrounds Halloween in a school with K – 9 students. The energy was electric. I would like to thank our school community for all of their donations to the food bank over the past month. Our leadership students are compiling the donations and will be providing them to the Chestermere and Area Foodbank next week. They have done an amazing job of being active citizens in making our community a better place and they should be very proud of their efforts. Our week concluded with a game with our staff vs. our Jr A Boys Volleyball Team at lunch on Friday. It was a fun event in which age and wisdom defeated youth and speed. Next week has our Jr A Girls trying their luck against the staff. Our Jr B Volleyball team is now in full swing and we are hosting a basketball skills week from the 5th to 8th with tryouts for Jr A will beginning the following week. Some students will enhance their learning through field trips this week while others will enjoy having a science presentation come into their classes. Our band students and choir group have been practicing very hard and are looking forward to getting to perform as part of our Remembrance Day Ceremonies on Friday.

Sincerely,
Jordan Fenton
Principal
