

NEWS FROM THE NEST

January 7 – 11, 2019

EAGLES S.O.A.R
(Safe Organized Accountable Respectful)

Happy New Year! I hope that everyone had the opportunity to share time with people that they wanted to, doing things that they enjoy.

I would like to thank Jonathan and our caretaking team for all of their hardwork during our break to shine up our school, and ensure that it is ready to continue to serve our students. When you enter our building you will also start to see some subtle changes as we are beginning to get student artwork on display in the frames on the walls around the school, and does it ever make the bare walls look so much better.

This week we will be welcoming several new people to our building both students and staff. We will be welcoming Ms. Tammi Hartley into Ms. Walton's kindergarten room as a Puf Learning Assistant, along with Ms. Lovepreet Bhatti as a general Resource Assistant for our school, and we will be welcoming back Ms. Lisa Taylor onto our gr. 5 team from mat leave.

Our Student Council organized an amazing Spirit Week prior to the break that was extremely well supported by our students and staff, and this week ahead will have some more fun opportunities for our students to be involved in. Both of our basketball teams will be in action on Friday, locally, and would love the support if you will be near CLMS our boys team will be playing there at 5 pm and 8 pm and if would like to support the girls team they will be playing in Langdon at the same times. Our Friends Society will be hosting a Family Movie Night at 6:30 pm on Friday as well.

Sincerely,
Jordan Fenton
Principal

Family Movie Night Friday Jan 11

The Friends Society will be hosting a Family Movie Night Fundraiser with two movies to choose from starting at 6:30 pm. They will be running a concession that will include popcorn and more information will be sent out regarding presales.

National Geographic Photographer John Dunn Presentation January 14th

John will share his images and experiences of exploring the world with our students. arcticlight.com
