

NEWS FROM THE NEST

September 21 - 25, 2020

EAGLES S.O.A.R.

(Safe Organized Accountable Respectful)

The combination of forest fire smoke and harvest dust has made for some interesting colours during sunrise and sunset that our students have been talking about.

With the first five-day week in the books we are starting to settle into our routines and students are really starting to get into some interesting learning experiences. Please be sure to ask your child what they have been learning and hopefully they will share some of the cool things that I have seen that they have been up to.

This week we will be putting a new spin on some typical experiences by hosting our Meet the Teacher and Parent Council Meetings on Zoom video calls and by also having an abbreviated Terry Fox Fundraiser event. Instead of our typical welcome back breakfast inviting parents to come and meet their child's teacher at we will be hosting our Kindergarten to Gr 3 families on Tuesday and Grades 4 -6 families on Thursday for a Meet the Teacher Zoom Call where people will be able to join in to be able to place faces with names of our staff as they briefly introduce themselves. You will find the links for these calls in the information below. We will also be holding our first Parent Council Meeting of the year on Wednesday at 6 pm via Zoom and will look to provide more information on how parents can continue to be involved in our school community during this time. These events are open to both our in-class and online student's families to attend.

With it being cool in the mornings and warmer in the afternoons we are seeing our students shedding layers of clothing as the day goes on and we ask that you please ensure that all clothing is labelled with your child's name this year more than ever as we won't be able to have students or parents digging through a lost and found for items that need to be reunited.

Sincerely,
Jordan Fenton

Parent Council Meeting Wednesday, Sept 23, 6 pm
