

NEWS FROM THE NEST

May 23 - 27, 2022

EAGLES S.O.A.R.
(Safe Organized Accountable Respectful)

If you told others that you had to sweep the snow off of your car, planted your garden, and got a sunburn all in the same weekend I'm not sure that they would believe you. Welcome to the May long weekend in Alberta!

We hope everyone had a safe and fun extended weekend and we look forward to getting back to a very busy week ahead. This is the time of year where we are starting to plan for the next school year while continuing to close out the current one. This week our Gr 6 Students will be going over to the Jr High to see all that it will have to offer them in the year ahead. We will also be hosting a Kindergarten orientation on Thursday evening for our incoming families. Thursday evening will be a fun one for our French Immersion Program as we are having a showcase of learning for all of our FI students. Our Parent Council will be holding its monthly meeting on Wednesday at 1:30 pm and we are hoping that as many people can join as possible, in person or online by using the link below. The Parent Council and Friends Society will both be looking to start planning for the upcoming school year during these meetings and your input would be appreciated.

As the hours of daylight get longer and the number of activities in our students' lives increase, we know that hours of sleep become shorter in many people's lives. With this it seems as though patience becomes in short supply during these times. Being aware of this can help us support one another as we continue to race to the end of this school year with the understanding that to help others we need to be at our best. I would like to thank everyone in advance for being understanding and patient with one another during these days ahead, when it is most needed.

Sincerely,
Jordan Fenton

Parent Council Meeting May 25 1:30 pm

Please use the following link to join online if you cannot attend in person:
