

NEWS FROM THE NEST

June 3 - 7, 2024

EAGLES S.O.A.R
(Safe Organized Accountable Respectful)

Dear Caregivers and Parents of East Lake School,

I am so happy to share that our Tea and Talent event raised over \$2000 for the Chestermere Food Bank. Our Eagles were happy to learn through service and giving back to a most critical organization in our community. Thank you to the organizations, families and individuals that donated time, prizes and attended the event to support this cause.

I'm so proud that we have an atmosphere at East Lake where 31 student acts feel safe and secure to perform in front of a large audience. This takes courage, vulnerability and lots of adult support. Thank you to all of the parents and cheerleaders that encouraged our Eagles. We sure have a lot of talent ranging from singing, dance, spoken word to balloon animal creations!

In other news, I can't believe it's now June. Have you heard the saying "pack your patience"? As we move into June, there is a lot left to cover off through learning objectives, fields trips to attend and celebrations to be had.

There are lots of feelings about winding down a school year and being away from the predictable school schedule. However exciting the summer sounds, it also means change which can be stressful.

We can maintain the learning momentum for the next several weeks by getting enough rest, packing a nutritious lunch, being present and participating in learning activities. As adult supporters, you can spend some time outside together. Talk about how your Eagle might be feeling as summer approaches. Please don't hesitate to reach out to your Eagle's teachers if you have questions about your child's progress.

Yours in Education,

Amanda Schultz, M.Ed
Principal, East Lake School

Upcoming Transportation Registration Night

Rocky View Schools (RVS) Transportation is pleased to offer a transportation registration night at Chestermere High School in the South Gym on June 5 from 4-7 p.m. to help families register for bus service for the 2024/25 school year. RVS Transportation Staff will be on hand to offer you one-on-one assistance to register your children for bus service. Computer stations will be set up at the school, so it is not necessary to bring your own device.

Please set up your PowerSchool parent account beforehand so you can log in. You may register online if you prefer. This is optional for those who would like assistance.

Important Registration Information

- Register before June 30 for a discount of \$40 (first two students in your family; \$20 off additional students). A minimum payment of 50 per cent is due at the time of registration.
- Payment is processed online; only credit or visa debit payments are accepted.
- Families must register for transportation by Aug. 1 to ensure their child can ride the bus on the first day of school. Students registered after this deadline may experience delays of two to three weeks before they can ride the bus as late applications will be processed with a start date after Sept. 18.

More information about this event is available on the [RVS website](#).

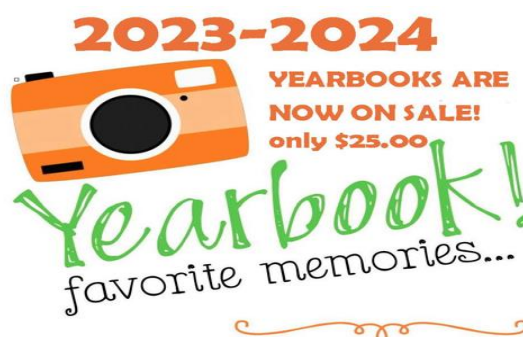

Our Yearbook is a way to capture the fond memories your student has from their time here at East Lake.

The yearbook contains pictures of friends, teachers, activities, events, sports and much more.

The 2023-2024 Yearbooks are now on sale.

Cost \$25.00 per year book and are available to purchase in School Cash Online.

They will be delivered in the Fall of 2024.

5 Nesgaard-Inglis created this thank you card for Friends of Chestermere East Lake School Society to thank them for the respiratory and digestive systems models they purchased. Did you know FOCELS has contributed over \$20,000 to support learning this year? Thank you for the field trips, bussing, classroom supplies and more!
