2024/25 School Education Plan At-A-Glance

This Year We Worked On:

- Advancing students' numeracy and literacy skills through effective instructional practice
- Making our learning community visible and inclusive
- Foster a sense of belonging and safety to ensure student success

You Can Help By:

- Create authentic learning experiences at home
- Use information provided by teachers to spark conversations
- Reinforce SOARing and PBIS language at home

Next Year You Can Look Forward To:

- Ongoing intentional literacy and numeracy support up to Div 2
- Continued opportunities to engage with our greater school community
- Community building from the reconfiguration

Information is based on our 2024/25 school education plan.
