

NEWS FROM THE NEST

June 27 – 30, 2022

EAGLES S.O.A.R
(Safe Organized Accountable Respectful)

It is amazing to be sitting here with only two more days for students remaining in the school year. They say time flies when you are having fun and with that kind of logic we know that we must've been having a fun year because this year has rocketed by.

This past week our school was able to engage in some amazing learning experiences on Indigenous Peoples' Day, along with celebrating the year of learning for our kindergarten and PIP students. Our Grade 6 students finished writing their PAT's and celebrated by taking on the Firefighters in a water fight. They tried their best but let's just say they may have been out gunned. This week will be another active one by culminating our year with our annual sports day on Monday and I'm sure that each class will be having some sort of farewell activities on Tuesday leading into summer vacation. We will also be saying goodbye to several staff members as the year comes to a close as they take on new positions and opportunities and we would like to thank them for their service to our school community: Chantelle Springer, Myra Materi, Jessica Plowman, Mitch Bec, Suzy Muke, Kayla Hosegood, Jenn Fraiser, Jim McKinstry, and Shannon Storey.

Often summer break brings on feelings of worry for our students and parents for various reasons, but lack of food should not be one of them. Each year East Lake provides snacks and lunches to kids who may need a little extra food. The Food bank can also provide our students in a similar way through "After the Bell" snack pack program. Inside the snack packs you will find shelf stable snack foods that kids love as well as some fresh fruit. If you would like a sample of what these snack packs look like please contact Mrs. Edeburn at sedeburn@rockyview.ab.ca to ask for a sample pack to be sent home with your child or if you would like more information about the program.

Depending on our age and perspective, the passage of time can seem to drag on or fly by and this past year is not different. We have seen an amazing amount of physical, emotional and intellectual growth in our students over the past 10 months and are very proud of all of the effort and energy that they along with our caring staff have put into creating this growth opportunity for everyone. I would like to thank our entire school community for navigating another less than typical year and in coming together to support one another to make this the best possible experience that we could possibly have during challenging times. I would like to wish everyone a safe and happy holiday break and we look forward to be back here ready to serve our community in the fall!

Sincerely,
Jordan Fenton

This Week:

June 27

Sports Day

June 28

Last Day for Students

June 29 & 30

Organizational Days for
School Staff

***Summer Vacation Begins
for Students***

Yearbooks For Sale

They can be purchased through SchoolCash for \$25

Purchasing a yearbook is a great way to have a keepsake for the future from this year.
