

NEWS FROM THE NEST

April 3 – 7, 2023

EAGLES S.O.A.R

(Safe Organized Accountable Respectful)

April is here and no fooling! The calendar flipped yet once more in this school year, and we are heading into the final three months of this year.

The weather cooperated amazingly for all of our Gr 6 students who took to the slopes on the annual ski trip. Thank you to Ms. Driver for organizing it and all of the amazing parent volunteers who helped to make it a day that our students will never forget. Our school was a hub of activity after hours this week as well as we welcomed in our school community for student led conferences. It was amazing to see everyone who could make it in and even more amazing to witness our students sharing what they have learned with their parents. Our Grade 6 Basketball teams were able to cap off the week by representing our school at jurisdictional tournaments on Friday. They have represented our school so very well through the whole season and we are very proud of their efforts. Way to go EAGLES!

This week may only have four days leading into our spring break but I'm sure that there will be enough excitement to keep everyone going. Our Gr 5 & 6 students will be having their spring photos and the week will include a Sports Jersey Spirit Day on Thursday where students and staff can wear the jersey, sweater or colour of their favourite sports team.

Lastly, I would like to take this opportunity to say how great our students and staff have been to this point of the year and acknowledge all of their combined hard work, along with the support of our school community in getting us here. As we lead into a well-deserved break for everyone, I would like to wish everyone a safe and healthy holiday break and say that we look forward to seeing everyone once they are back and remember that if the first 7 months have gone by this quickly the last three will be a blur.

Sincerely,
Jordan Fenton

Diversity Survey

The East Lake School Diversity Committee is seeking your input to guide their work in celebrating the wonderful diversity in our school community. The information gathered in this survey will help us to learn more about who is represented in the East Lake School community so we can ensure students see themselves and their cultures and traditions reflected around their school in different ways. The survey can be found at this link: <https://forms.gle/ZHaeJLzrnchxGv6>
