

NEWS FROM THE NEST

January 18 – 22, 2021

EAGLES S.O.A.R
Safe Organized Accountable Respectful)

This week has felt a little like we are living in a wind tunnel. The temperature has made it tolerable and this first week back in person has flown by.

I would like to thank everyone who took the time to complete the form in SchoolEngage expressing their intentions for the preferred learning method from Feb 8th to the end of the school year. We will be busy compiling the information and it may result in some shifting of staff and students. In some cases, it may even require some movement of students from their current classes to aid in balancing numbers in response to the overall change requests. We thank you for your patience as we navigate through this process.

On Monday, Kindergarten registration across RVS opens for the 2021-22 school year and we are asking everyone to register as soon as they can as it helps us plan for staffing in the fall. If you know anyone who may have a child that will be kindergarten age please feel free to send them the link from below or suggest that they call into our office during school hours. Our Parent Council and Friends Society will be having their monthly meeting on Wednesday starting at 6 pm. This is a great way to hear the latest information and to be involved in our school community.

Lastly, I would like to thank our parents for helping their students dress so well for winter weather. With us continuing to have some of our Phys Ed classes outside and all of our recesses being outdoor we have seen an increase in outdoor play and we attribute it partially to the students being more prepared to be outside.

Sincerely,
Jordan Fenton
