EAGLES S.O.A.R

Safe Organized Accountable Respectful)

As we head into the 10 day Spring Break it always serves as a reminder to me not only how quickly the time has passed but on how little of the school year remains.

I would like to thank everyone who was able to take part in the Student Led Conferences over the past week. Should you have missed them and would like to arrange an alternate time to meet with your child's teacher please feel free to reach out to them once we return from the break. A big thanks goes out to our Student Council for arranging the Spiritwear sales and some fun events this week. If you had told me as little as a couple of years ago that I would be dressed as a bunny at school I would have told you that you were crazy and yet it happened as I joined in with so many of our students and staff for the spirit day.

It is going to be a quick turnaround when we are back for the Public Consultation Meeting for the future of Prince of Peace School. The meeting will discuss options for relocating the students and staff in the future with some of considerations having a potential impact on our school. I would recommend that parents become informed by joining in on this meeting via zoom by using the link listed below.

We know that our world continues to be extra challenging these days due to COVID and we hope that everyone has a safe and fun break.

Sincerely,
Jordan Fenton
