

NEWS FROM THE NEST

May 16 - 20, 2022

EAGLES S.O.A.R
(Safe Organized Accountable Respectful)

With it being cool in the morning and warm later in the day our playground looks like it has puked up a closet at times. Please feel free to stop by and check out our lost and found to see if any items may belong to your child as the pile is starting to get very large.

Our Grade 1 & 2 students were able to go on their very first field trip this past week, the teachers were quickly reminded of the excitement surrounding riding the bus and getting to see so many new and fascinating things. A huge thank you to everyone who helped to organize our Annual Tea & Talent Night. It was an amazing evening with terrific performances by our students and we are thankful for all of the support from our school community and the greater Chestermere community as a whole. All of the support has resulted in over \$2000 raised to benefit AARCS (Alberta Animal Rescue Crew Society). Thank you to everyone who has completed the RVS Satisfaction Survey, there is still time to complete it by using the link below.

As will all shortened weeks for students this week will be another busy one as our Grade 6 students get to experience their very time writing Provincial Achievement Tests. There are a lot of interesting things happening in classrooms from raising trout to be released in the Bow River to hatching duck eggs, and other amazing learning activities that our students are involved in every day. The growth and learning that has gone on over the year has been immense and these final six weeks of school should be amazing.

As we head into this long weekend ahead, we hope that everyone gets the opportunity to spend some time as a family doing something that they want to and fingers crossed that the May-long snow will stay away.

Sincerely,
Jordan Fenton

This Week:

May 15

RVS Survey Deadline

May 16

Gr 6 FLA Pat Part 1

May 18

Gr 6 ELA Pat Part 1

May 20

PL Day - No School

Upcoming:
